

# **Fit for the Future?**

## **Local Enterprise Partnerships'**

### **Climate Ready and Low Carbon Economy Good Practice**

#### **National Conference**

Tuesday 8 March 2016, 10:00 – 15:15

[BVSC Conference Centre](#), 138 Digbeth, Birmingham, B5 6DR

#### **Aims of Conference**

- Share good practice in climate adaptation, mitigation and promoting the low carbon economy.
- Help environmental and sustainability champions within LEP Boards, Advisory Committees and ESIF committees to make connections and therefore develop potential future joint projects.
- Provide a forum for national environmental bodies to present their existing offers of help and understand future support needs in this area.

#### **Agenda**

##### **10.00 Refreshments and connection building**

##### **10.30 Welcome**
