

Public Sector Carbon Management and Reduction Workshop

Dame Ellen Terry Room, [Council House](#),
Coventry City Council, Earl Street, Coventry, CV1 5RR

Thursday 2 March 2017

Aims of event

- Learn from local public sector organisations that have demonstrated good practice in carbon management and reduction.
- Provide an update and overview on current legislation, policy, tools and incentives in place to help public sector bodies manage and reduce their carbon emissions.
- Network with colleagues from a variety of public sector backgrounds and share experiences and ideas related to carbon management.
