

Birmingham Science City Low Carbon Working Group: Meeting Agenda

Thursday 26 March, 10:00 – 12:00

[Baskerville House](#), Centenary Square, Broad St, Birmingham, B1 2ND

Time	Item	Lead
	Tea & coffee from 09:45	
10:00	<p>Chair's welcome, introductions and apologies</p> <p>Discussion: Effective collaborative projects</p> <p>This session aims to identify the key factors to consider when developing a project, in terms of how other organisations and stakeholders can support implementation. Ideas generated from this discussion will aim to inform the objectives of future LCWG workshops and showcase the important of this group in helping to broker relationships.</p>	Matthew Rhodes, Encraft (Chair)
10:30	<p>University of Warwick energy innovation projects</p> <p>An opportunity to hear from the University of Warwick's research and demonstrator projects relating to energy innovation and an update on their collaboration with Climate KIC.</p>	Andrew Todd, University of Warwick
10:50	<p>Integrated rural low carbon initiatives</p> <p>Mike will give us an overview of rural low carbon initiatives that Greenwatt is currently working on, in particular around low carbon transport, farm energy and rural smart grids.</p>	Mike Woollacott, Greenwatt Technology
11:10	<p>Low carbon innovative ICT</p> <p>An opportunity to hear from a different area of the low carbon space and to learn about a new Horizon 2020 Green Data Centre services project.</p>	John Booth, Carbon³IT
11:30	<p>ESIF update</p> <p>An update on the European Structural Investment Funding stream and the release of calls relating to low carbon and innovation.</p>	Pam Waddell, BSC
11:40	<p>Partner and funding roundtable update</p> <p>An opportunity for all partners to update the group on any of their current related low carbon and innovation projects. This is also a chance for partners to provide updates on funding streams, in terms of their current status or any relevant projects that are using these funding streams to aid their development.</p>	All
12:00	Close
