

Education and Enterprise - Economic Partnerships and Investments

Black Country Development Officer (Low Carbon)

£33,128 - £37,578

Job Ref: WLV000000495

37 Hours Per Week

12 Month Fixed Term Contract or Secondment Opportunity

We are seeking a Development Officer (Low Carbon) to work as part of Team Black Country to develop a strong pipeline of low carbon and environment projects in advance of funding opportunities.

The role will develop the low carbon programme and put in place an initial pipeline of projects to deliver the low carbon economy objectives set out in the Black Country Strategic Economic Plan, Black Country European Investment Strategy 2014 to 2020 and the Black Country Green Growth Plan and is accountable to the Green Growth Group.

You will have significant experience of developing and/or delivering environmental and/or low carbon projects to deliver economic outcomes, the ability to effectively engage with and co-ordinate partners across sectors and a track record of programme development, delivery and performance management.

You must have an excellent knowledge of the environmental and/or low carbon sector and opportunities and a good knowledge of funding opportunities available to support the development of the low carbon economy, including the European Regional Development Fund and Local Growth Fund and their requirements.

You should also have an understanding of the role LEP's and Local Government play in supporting economic growth and regeneration and the challenges facing the Black Country economy including business needs.

For more information please contact Heather Clark, Strategic Projects and Funding Manager on 01902 555614, alternatively, e-mail heather.clark2@wolverhampton.gov.uk

We will notify you of the outcome of your application as soon as possible after the closing date.

CLOSING DATE WEDNESDAY 29 OCTOBER, 2014

INTERVIEWS THURSDAY 6 NOVEMBER TO FRIDAY 7 NOVEMBER, 2014
