**Rob Talliss**, Director of Estate Development, Coventry University

**David Blake**, Executive Director & Chairman, IDP Group

**James Breckon**, Director of Estates, University of Warwick

TBC – Orbit Housing

*“The city council is continuing to do its bit to reduce carbon with schemes like the Heat line district energy network and the move to an efficient new building at Friargate. As importantly, low carbon is now big business - worth over £122 billion to the UK as a whole and employing 41,000 people in the West Midlands.”*  
**Cllr. Kevin Maton, Coventry City Council.**

**11.00 – 11.30 Coffee /Networking**

**11.30 – 12:45 Workshops**

**1 Retrofitting & Adaptation Fit for the Future**

**2 New Greener Homes and Communities**

**3 Sustainable Business Parks & Campuses**

**4 Funding and Investment in the Age of Austerity**
