Community Scrap Shack^{CIC}

Not for Profit Organisation

Does your company throw away clean and useful waste that could be re-used?

Community Scrap Shack recycles waste from businesses throughout Staffordshire that can be used for arts, crafts and play with children and adults across the county.

We are looking for any waste that is unusual, versatile, colourful, clean and safe.

Overleaf is a list of typical items we are looking for and can reuse. In addition we also accept bankrupt and redundant stock of any type that would otherwise go to landfill.

We can help you to meet your zero waste targets & Corporate Social Responsibility objectives.

Open:
Tue 10am - 4pm
Wed 10am - 8pm
Thu 10am - 4pm
1st Sat in month 10am - 1pm

Elsing Street
Fenton
Stoke-on-Trent
ST4 2PR

Community Interest Company No. 7411468
(Not for Profit)
