

# How can we help you?

## Become a SWM member

- Promotion of your brand and services across our extensive communication channels.
- Promotion of your case studies and opportunities to raise your profile at our events.
- Free place at our Annual Conference, free use of our meeting rooms and discount on consultancy.

*Annual membership costs between £50 and £1,000+VAT depending on your size and sector.*

## Sponsor our networks and events

- Influence experts by sponsoring our networks for a wide range of sectors.
- Exhibit at our high profile events and present your work and case studies.
- Promote your branding and case studies on all network and event related media.

*Our sponsorship offer is flexible depending on your budget and who you want to engage with.*

## We offer consultancy services

- Independent advice on your sustainability strategy.
- Workshops to influence internal or external stakeholders.
- Production of independent advice on energy, waste, resilience and other areas of sustainability.
- Programme delivery and project management.

*As a not-for-profit organisation, all our consultancy fees go into making the West Midlands a more sustainable place.*

## Testimonials

*"The input of SWM has been huge in helping set our priorities." - Andy Street, Mayor, West Midlands Combined Authority*

*"By working with SWM and contributing to their events through funding and sponsorship we can share our messages, engage with key stakeholders and demonstrate leadership in the sector." - Severn Trent Water*

*"We are proud to be a member of SWM and a partner in its activities and they play an invaluable role in championing the sustainability agenda at the highest level within the West Midlands." - City of Wolverhampton Council*

*"The SWM Annual Conference was by far the best and most informative event I have attended." - Groundwork West Midlands*

*"Collaboration with other SWM members presents the perfect opportunity to develop new and innovative solutions that deliver shared benefits and enhances our reputation as a world leading University." - University of Birmingham*

*"The work SWM has done for us has been fundamental in brokering relationships with LEPs and helping us to strengthen our hand when offering our support." - Energy Systems Catapult*

*"It was important to us to work with an independent organisation like SWM who were able to provide honest and realistic recommendations based on their extensive research." – Department for Business, Energy and Industrial Strategy*

*"SWM has helped me to make some very good connections that have resulted in exciting business discussions that are evolving into commercial opportunities for my company." - Ørsted*
