

Walking/cycling directions from Telford Central station to Ricoh UK Products Ltd ILCWG meeting 10 September

See also map overleaf.

- When leaving the train, cross over the railway if exiting from Birmingham/Wolverhampton (platform 2) or do not cross over the railway if exiting from Shrewsbury (platform 1).
- Keep to the left of the road, past the taxi rank. Ahead of you, before you reach the entrance to the Beefeater pub, you'll notice a blue cycle route 55 sign ('unnamed road' on the map). Take this route signposted 'Stafford Park Priorslee' (don't turn left here).
- Follow this cycle path with the M54 to your left until you reach a crossroads, where two cycle paths join (where it says '23 min' on the map). Take a left over the bridge crossing the M54.
- As soon as you've crossed the bridge, take the next right and follow this path until you reach a road (Shifnal Road).
- Turn right at the road and keep going straight on (past the University of Wolverhampton campus on your left) until you reach the barriers as you enter the Ricoh site (see red vertical line on the map). At the barriers, report to the security hut on the right and sign in. You will then be directed to the main reception.

Approx walking time: 20 minutes (fast), 28 minutes (slow)

Approx cycling time: 10 minutes

Distance: 1.4 miles one way
